1 GENERAL

Spotlight Stock Market

Spotlight Stock Market was founded in 1997 as Aktietorget and operates an MTF with trading in shares from Swedish, Danish and Norwegian companies. Both domestic and international trading members are directly connected to Spotlight Stock Market making Spotlight Stock market listed companies available for trading to their clients.

Trading System

Trading on Spotlight Stock Market takes place in INET Nordic.

The Trading System continuously broadcasts every change in the market. The information is displayed in real-time in the form of order books, market summaries, concluded trades, index information and reports of various kinds. The system offers a real-time dissemination of information to members. All traders with access to this information receive the information at the same time. The traders can thus enter their orders, without having to be in personal contact with the counterparty. At the same time, they gain an instant overview of the market situation.

INET Nordic

Equity Instrument trading place in the electronic trading system INET Nordic. The system is designed for meeting the needs of standard trading as well as advanced algorithmic trading and market data services for colocation customers.

Market data

Nasdaq Nordic also makes public real-time information of orders, interests and concluded trades to other market participants and to the public via a set of Market data products. Market data is distributed in direct feeds from the trading systems, aggregated and refined via the consolidated feed, as reports retrievable from the file server.

Membership Spotlight Stock Market membership

For access to Spotlight Stock Market, membership is required. Since trading is conducted in systems also used by Nasdaq Nordic, a membership of Nasdaq Nordic is a prerequisite for a membership of Spotlight Stock Market.

Clearing and Settlement

The membership of Spotlight Stock Market requires participation directly or indirectly in clearing and settlement systems where the relevant instruments are cleared and settled. Clearing and

Spotlight Stock Market Member Rules

settlement are to be viewed as separate systems from the Trading System and are thus not regulated by this rulebook.

Trades are cleared and settled directly in a Central Securities Depository designated by the Member and recognized by Spotlight Stock Market depending on the Instrument.

Spotlight Stock Market Member Rules

The Spotlight Stock Market Member Rules give a complete rulebook on membership conditions and on trading rules.

Technical disruptions

3.5.2 The provisions below shall apply with respect to technical disruptions to trading.

3.5.3 Spotlight Stock Market may close its market in whole or in part for trading in certain instruments as a consequence of circumstances which render it impossible to maintain properly functioning exchange operations. Where one or more Exchange Members lack technical connection to the exchange trading system, trading is maintained to the extent possible as long as a sufficiently large number of Exchange Members are able to participate in the trading so that adequate price formation and properly functioning exchange operations can, in the opinion of the Exchange, be maintained.

3.5.4 Where incidents occur that are not connectivity related, and cannot be easily converted into a connectivity percentage, Spotlight Stock Market shall determine whether well-functioning trading can be maintained and decide upon any suspension of trading or delay in the opening of trading in the relevant Market.

Resumption of trading

3.5.5 Trading shall be resumed when the circumstances which caused the extraordinary closing no longer exist and Spotlight Stock Market determines that well-functioning trading can be maintained. Prior to the resumption of trading, the Members shall be given an opportunity to cancel existing Orders. Trading shall resume from the same status as prior to the suspension of trading. Spotlight Stock Market may decide to resume trading without any Orders in the Order Books, with or without an open call auction.

Extension of Trading Session

3.5.6 Where Spotlight Stock Market have suspended trading regardless of the duration or delayed the opening of trading by more than one (1) hour, Spotlight Stock Market may order an extension of Trading Sessions. Such extension may not exceed the length of the suspension or delay in trading, however an extension in Trading Hours shall be ordered for a minimum of 15 minutes. Spotlight Stock Market shall inform Members of any extension and the duration of such extension.

3.5.7 The Member shall be notified of extraordinary measures in reasonable time prior to the implementation of the measures unless a delayed implementation of the measures entails a risk of considerable damages in some manner. In such situations, Spotlight Stock Market shall notify the Member in respect of extraordinary measures taken as soon as practically possible. The Member shall, if possible, notify its clients.

- 3.5.8** Spotlight Stock Market shall notify the Member as soon as the extraordinary measures are cancelled, and the trading operations are functioning properly. Where trading operations have been suspended, the resumption of trading may take place not earlier than ten (10) minutes after the announcement of a decision with respect thereto, unless all Members have been informed in reasonable time in respect of an earlier resumption.

3.6 Confidentiality and duty to provide information

Confidentiality by Members

- 3.6.1** The Member shall ensure that employees and parties retained to provide services are bound by a duty of confidentiality and do not make any unauthorised disclosure of, or utilise, information regarding business circumstances or personal circumstances which is obtained in the course of the Member's activities on Spotlight Stock Market. The duty of confidentiality shall apply notwithstanding that the employment relationship has terminated or the services have been completed. Notwithstanding to what is stated in this section 3.6.1, the Member shall be entitled to provide information to governmental authorities who supervise the Member in accordance with national securities and stock exchange law and regulations given or practice developed pursuant hereto.
- 3.6.2** In the event the Member is erroneously provided with information intended for another Member, the Member shall immediately notify Spotlight Stock Market thereof. The Member shall comply with any instructions issued by Spotlight Stock Market regarding such information. Such information shall be confidential and may not be utilised by the Member.

Member information requirements

- 3.6.3** Upon request, the Member shall provide Spotlight Stock Market with any information, including information regarding clients, which Spotlight Stock Market deems necessary in order to monitor and ensure compliance with Spotlight Stock Market Member Rules and in order to fulfil its obligations pursuant to national securities and exchange law and regulations given pursuant hereto. The information shall be rendered in the manner prescribed by Spotlight Stock Market. Any personal data that Spotlight Stock Market may receive from the Member in accordance with the applicable regulations and Spotlight Stock Market Member Rules will be processed in accordance with the Spotlight Stock Market Privacy Policy. - 3.6.8** The Members that are not subject to MIFIR transaction reporting requirements and for which Spotlight Stock Market is responsible to perform transaction reporting in accordance with MiFIR, shall provide information necessary for Spotlight Stock Market to meet its regulatory transaction reporting requirements. Spotlight Stock Market may charge a fee for such transaction reporting. Those transaction reports shall contain all information, where relevant, required in the annex to Commission Delegated Regulation (EU) 2017/590 ("RTS 22") in a format specified by Spotlight Stock Market. Spotlight Stock Market shall make available further guidance regarding the information to be provided hereunder.

Confidentiality and information obligations imposed on Spotlight Stock Market

- 3.6.9** Spotlight Stock Market and employees and parties retained by Spotlight Stock Market may not make any unauthorised disclosure or use of information regarding any business or personal circumstances that relates to the operations of Spotlight Stock Market. The duty of confidentiality shall apply notwithstanding that the employment has terminated or the services have been completed. However, Spotlight Stock Market shall be entitled and obligated to provide information to governmental authorities who supervise Spotlight Stock Market or to other third parties in accordance with national securities and stock exchange law and regulations given or practice developed pursuant hereto.
- 3.6.10** Spotlight Stock Market may only disclose information to third parties other than governmental authorities, who supervise Spotlight Stock Market, where the third party is subject to a similar duty of confidentiality.

3.7 Limitation of liability

- 3.7.1** The Member and Spotlight Stock Market shall not be liable for damages incurred in circumstances other than those set forth in this section 3.7, provided normal care is exercised.
- 3.7.2** The Member and Spotlight Stock Market shall not be liable for damages incurred due to force majeure or other extraordinary events. Force majeure or any other extraordinary event shall be deemed to exist where a party or any subcontractor thereof is prevented, in whole or in part, from performing its obligations under Spotlight Stock Market Member Rules or where such performance may be deemed to be unreasonably burdensome due to national or foreign legislation, the actions of national or foreign governmental authorities, provisions or other measures from bodies within the European Economic Area (EEA), electricity outages, fire, water damages, telecommunications outages, strikes, blockades, lockouts, boycotts, natural disasters, acts of war, or other similar circumstances beyond the control of such party. The reservation in respect of strikes, blockades, lockouts and boycotts shall apply notwithstanding that the Member or Spotlight Stock Market is the object of, or executes, such measures.

- 3.7.3** In the event the Member or Spotlight Stock Market is prevented, in whole or in part, from executing measures pursuant to the Spotlight Stock Market Member Rules as a consequence of circumstances set forth in this section 3.7, such performance may be postponed until such time as the impediment has terminated. In the event the Member or Spotlight Stock Market is prevented from making or receiving payment as a consequence of such circumstances, the parties shall not be liable for penalty interest.
- 3.7.4** The Member and Spotlight Stock Market shall under no circumstances be liable for loss of data, lost profits or gains, or other indirect or consequential damages.
- 3.7.5** Other than pursuant to the provisions set forth in this section 3.7, Spotlight Stock Market shall under no circumstances be liable for damages incurred as a consequence of, or in conjunction with, the dissemination of Public or Non-Public Market Information. Spotlight Stock Market shall not be obligated to notify or correct errors in Public or Non-Public Market Information unless, in the opinion of Spotlight Stock Market, such notification or correction is reasonable and may be deemed to be of significance to the Member.
- 3.7.6** Other than pursuant to the provisions set forth in this section 3.7, Spotlight Stock Market shall under no circumstances be liable for damages incurred as a consequence of, or in conjunction with, any extraordinary measures implemented by Spotlight Stock Market pursuant to section 3.5.
- 3.7.7** A claim for damages may be reduced or eliminated where the injured party has, through its own actions, caused or contributed to its loss or failed to mitigate its loss, whether directly or indirectly.

3.8 Applicable law and dispute resolution

Applicable law and dispute resolutions shall be determined by the domestic law of the respective Spotlight Stock Market.

- 3.8.1** Any disagreement or dispute between the Member and Spotlight Stock Market related to the interpretation and performance of the provisions of Spotlight Stock Market Member Rules shall be adjudicated as follows:

- In accordance with Swedish law and be determined by arbitration in accordance with the Arbitration Act in force at the time the arbitration proceedings are initiated.

4.2.4 A Member shall possess equity capital equivalent to not less than 750,000 EUR. Members accepted subject to lower capital requirements shall comply with the capital requirements in force at the time the membership was granted. Spotlight Stock Market may choose to grant membership to an applicant that has the right to carry on investment business throughout the European Economic Area on the basis of authorisation by the competent authorities of its home Member State pursuant to legislation implementing MiFID, even though the capital requirement set above is not fulfilled.

4.2.5 The Member must possess the required authorisation(s) as an investment firm or as a credit institution authorised in accordance with MiFID or Directive 2013/36/EU of the European Parliament and of the Council on access to the activity of credit institutions and the prudential supervision of credit institutions and investment firms to conduct investment services, and for the providing of investment services covered by the membership. Furthermore, the Member must be subject to satisfactorily supervision by a public authority or other relevant authority.

Membership identities

4.2.6 The Member will be granted a membership identity that shall be used for identifying trading operations in the Trading System.

- 4.2.7** All Trades are cleared in a Central Securities Depository depending on the Instrument and determined by Spotlight Stock Market from time to time. Internal Trades can be self cleared by the Member. Settlements are made in a Central Securities Depository or in any other relevant Securities Settlement Organization designated by the Member and recognized by Spotlight Stock Market.
- 4.2.8** The Member is responsible at all times for delivery, clearing and settlement of Instruments in accordance with the conditions governing the Trade. This responsibility constitutes the contractual relationship between the Members and applies irrespective of whether the Trade takes place on the Member's own account or on behalf of a third party.

Termination of Membership

- 4.2.9** The Member may terminate its membership upon 30 days written notice, whereupon the membership shall terminate on the last day of a month. All Trades to which the Member is a party must be delivered, settled and, where relevant, cleared, and all Orders must be cancelled at the date of termination.
- 4.2.10** Where Spotlight Stock Market finds that a Member no longer satisfies the conditions for membership, Spotlight Stock Market may terminate the membership with immediate effect. Spotlight Stock Market may decide, where special cause exists, that the Member may execute already registered Sell and Buy Orders in order to protect the parties involved against loss.

4.3 Exchange Hours

Spotlight Stock Market's Trading Session and accessibility times are set forth in the schedules applicable from time to time, available on Spotlight Stock Market's website and in the Market Model Deviations from the indicated times may occur in special circumstances following a decision by Spotlight Stock Market. Separate notice will thereupon be given.

4.4 Exchange Traders

- 4.4.1** The Member participates in trading on Spotlight Stock Market through Exchange Traders. The Exchange Traders shall be employed by the Member or by a firm within European Economic Area that has been authorized to provide investment services in accordance with 4.2.8 and that belongs to the same group as the Member. An Exchange Trader can only be active for one (1) Member at a time.
- 4.4.2** The Member shall be responsible for all actions which the Exchange Traders or other parties take via the Member's connection to the Trading System, irrespective of whether the action was authorised or unauthorised and irrespective whether the Exchange Trader was employed by the Member or by a company within the same group as the Member. The Member's Exchange Traders shall ensure that every entry placed in the Trading System complies with the Spotlight Stock Market Member Rules. The Member shall ensure that the personal user ID of the Exchange Trader responsible for the placement is provided with each individual placement in the Trading System.

Requirements to become an Exchange Trader

- 4.4.3** The Member shall ensure that an Exchange Trader is suitable for his/her duties and possesses the following qualifications and training:
- (i) At least six (6) months, within two years prior to the time of application, experience in securities trading or being under supervision by an authorized Exchange Trader at least until six months experience has been reached;
 - (ii) Documented knowledge regarding Spotlight Stock Market's trading rules and other legislation governing trading;
 - (iii) Documented knowledge of economics, financial markets, and financial analysis;
 - (iv) Has read and understood the Market Model document.

Application for, and registration of, Exchange Trader status

4.4.4 Following an application from the Member, an employee who fulfils the requirements stated above and whom Spotlight Stock Market deem fit and suitable shall be registered as an Exchange Trader for trading on Spotlight Stock Market. The application for registration shall be submitted on a standard application form to Spotlight Stock Market. The Exchange Trader is assigned a personal user ID which provides the Exchange Trader with access to, and the right to use, the relevant part of the Trading System. The Exchange Trader may not permit another party to use the Exchange Trader's user ID, unless otherwise stated in the Spotlight Stock Market Member Rules. The Exchange Trader may be subject to special observation by Spotlight Stock Market for a period of up to three (3) months following initial trading in the Trading System.

Changed circumstances and compliance with regulations

4.4.5 The Member shall immediately notify Spotlight Stock Market in the event an Exchange Trader's employment is terminated or where circumstances otherwise occur which affect the Exchange Trader's ability to participate in trading.

4.4.6 An Exchange Trader who has not participated in trading on Spotlight Stock Market for a period of one (1) year shall forfeit his right to use the Spotlight Stock Market's Trading System. The Member shall notify the Exchange when the Member has reason to assume that this requirement is not fulfilled.

4.4.7 Where special causes exist, Spotlight Stock Market may grant exemptions from the requirements for Exchange Traders.

4.5 Order placements and monitoring spotlight

4.5.1 Members, including Members with two (2) or more membership identities, shall conduct Order placement and formulate trading instructions in such a manner that Sell and Buy Orders which the Member executes on its own account do not intentionally result in Trades in the Trading System.

4.5.2 Members shall have in place pre-trade controls on price, volume and value of orders and post-trade controls on their trading activities, as well as technical and administrative arrangements in place enabling it to cancel immediately, as an emergency measure, any or all of its unexecuted Orders submitted to the Exchange (Members kill functionality) as required by MiFID.

4.5.3 Members shall during the hours they are sending orders to Spotlight Stock Market monitor all trading activity as required by MiFID.

4.5.4 Spotlight Stock Market may impose Throttling limits on predefined time intervals. Descriptions of the detailed procedures in use for Throttling limits can be found in the Market Model.

4.6 Quality of pricing for Orders and Trades

4.6.1 Orders placed in the Order Book, Automatically Matched Trades and Manual Trades must reflect the current market value of the Instrument in question and constitute genuine Orders and Trades.

“Genuine order” means an Order that is registered with the intention to result in execution on the conditions expressed by the terms of the Order.

“Current market value” for Trades means prices, which, upon a comprehensive assessment, reflect the current pricing of the Instrument in question. When assessing the current market value, consideration should be made to, among other things, the changes in the pricing of the Instrument during the relevant Exchange Day, the changes in the pricing of the Instrument on previous Exchange Days, the volatility of the Instrument and the general changes in the pricing of comparable Instruments and, where relevant other particular conditions related to the Trade.

An Order will not reflect current market value if placed in the Order Book with such conditions that it can reasonably be expected to be executed in close connection to its entry at a price that would not be considered current market value.

4.6.2 The Member may not place Orders, enter into Trades or enter into any other behaviour which, individually or together:

- give or are likely to give false or misleading signals to the supply, demand or price of relevant instruments;
- secure or are likely to secure the price of relevant instruments at an abnormal or artificial level;
- affect or are likely to affect the price of one or several financial instruments and where the activity is part of a fictitious device, or any other form of deception or contrivance; or
- are intended to delay or prevent access to the Trading System by other Members.

The above general rule means, for example, that it is prohibited to

Spotlight Stock Market Member Rules

- Secure a dominant position over the supply of or demand for an instrument and where such activity has or is likely to have the effect of fixing, directly or indirectly, purchase or sale prices or creates, or is likely to create, other unfair trading conditions;
- place Orders or enter into Trades which has or is likely to have the effect of misleading others acting on the basis of the prices displayed, including the opening or closing prices;
- place Orders, including changes or cancellations of Orders, which have or are likely to have an improper effect on the price formation or orderly functioning of the trading system by:
 - (i) disrupting or delaying the functioning of the trading system of the trading venue or being likely to do so;
 - (ii) making it more difficult for other persons to identify genuine orders on the trading system of the trading venue or being likely to do so, including by entering orders which result in the overloading or destabilisation of the order book; or
 - (iii) creating or being likely to create a false or misleading signal about the supply of, or demand for, or price of, a financial instrument, in particular by entering orders to initiate or exacerbate a trend;
- secretly make a Trade in Instruments contingent upon a promise to subsequently acquire such Instruments at a given minimum price or subject to terms and conditions which restrict the right of further transfer of the Instrument(s) or which are otherwise intended to take the Instrument out of public circulation;
- automatically match/enter into a Trade with the intention that the buyer and seller of the Instrument shall be the same natural or legal person;
- automatically match/enter into Trades where the buyer and the seller of the Instruments is the same natural or legal person and that, in a shorter or a longer time frame, have a significant impact on price formation, trading statistics, market shares or that otherwise impairs price formation or trading;
- place an Order or automatically match/enter into a Trade with the intention of influencing the price of an Instrument in order to alter the value of one's own, or any other party's, holding of any Instrument at any given time, for example prior to the end of the year or end of a month;
- advise any other party to submit an Order or automatically match/enter into a Trade with the aim of influencing the price of an Instrument such that a third party is able to buy or sell the Instrument at a more favorable price than otherwise would have been the case; or
- delay the placement of an Order, or take advantage of the knowledge of an Order, which can reasonably be expected to materially influence the price of an Instrument with the intention, prior to the submission of such client Order, of entering into/automatically

matching a Trade in the Instrument for the Member's own account or on behalf of a third party.

A Member trading on behalf of a third party may not place any Orders, enter into any Trades or enter into any other behaviour if it suspects or reasonably should suspect that the third party for which it is dealing intends to accomplish such improper influence as is described above.

Orders, Trades and behaviours that are described above shall not be considered to constitute a breach of the Spotlight Stock Market Member Rules if they have been carried out for legitimate reasons and conform with an accepted market practice as established in accordance with Article 13 of the Market Abuse Regulation.

- 4.6.3** Spotlight Stock Market may decide that Orders which fail to meet the requirements stated in sections 4.6.1 and 4.6.2 shall be regarded as invalid and cancelled from the Order Book and that Trades which fail to meet these requirements shall be regarded as Trades which cannot update Latest Paid Price. Spotlight Stock Market shall inform the Member(s) involved in such decisions. Spotlight Stock Market may, in each individual situation, decide to inform the market of such decisions.

4.7 Suspension of trading (Trading Halt)

- 4.7.1** Where the general public does not have access to information regarding a particular Instrument subject to equal terms and conditions or does not have access to information regarding the issuer of an Instrument to a sufficient extent, or where special cause exists, or if the issuer's situation is such that trading would be detrimental to the investors' interests, Spotlight Stock Market may effect a suspension (trading halt) in the Instrument. Spotlight Stock Market shall decide when the suspension (trading halt) is to be effected.
- 4.7.2** A suspension of trading shall cease when the reasons for the suspension (trading halt) no longer exist.
- 4.7.3** An announcement will be made that an Instrument has been subject to a suspension (trading halt) and the reason for the suspension (trading halt). An announcement will also be made prior to the discontinuation of a suspension (trading halt).

4.7.4 Spotlight Stock Market may decide that Automatic Order Matching after a suspension (trading halt) shall be resumed with an open call auction.

4.7.5 The following applies for Instruments covered by a suspension (trading halt):

- (i) The Member shall not place, act as an intermediary, or execute Orders on behalf of
- (ii) third parties or on its own account, or trade in Instruments, or engage in active management of the Instrument in question, or assist in such actions;
- (iii) Orders placed in the Order Book prior to the suspension (trading halt) will or may be cancelled;
- (iv) Placement of new Orders is not permitted for such time as the Instrument is subject to a suspension (trading halt);
- (v) Manual Trades in Equities entered into prior to the suspension (trading halt) shall be reported immediately as soon as trading has resumed, however not later than 1 minute from the time trading has resumed;

Further details relating to suspensions can be found in Spotlight Stock Market's Market Model.

Other short term halts are regulated in clauses 5.4.7 and 6.4.11.

4.8 Automated Order Routing (AOR)

4.8.1 Automated Order Routing (AOR) is a process by which a Member, through the use of internet connections or other computer connections between the Member and its client, electronically and automatically transmits Orders registered by the client directly to the Trading System, excluding any such processes that fall within the definition of Direct Electronic Access.

For retail clients according to MiFID, the relevant requirements laid down in this section 4.8 aim to ensure that statutory investor protection and know-your-client requirements are met, that the service provided is suitable for the client, and that the client is reasonably informed of the terms of the services and the applicable rules and restrictions with regards to it.

The Member's liability for Automated Order Routing

4.8.2 The Member has the same liability for Orders which are routed via Automated Order Routing as for Orders which the Member places in any other manner.

4.8.3 The Member shall establish appropriate technical and administrative arrangements in order to ensure that Orders routed via Automated Order Routing do not violate the Spotlight Stock Market Member Rules.

4.8.4 The Member shall appoint a Head of Trading or a person with similar responsibility as contact person responsible for any matters which may arise in connection with Automated Order Routing, in order to ensure that Automated Order Routing is conducted in accordance with this section 4.8, and for supervision of the Orders which result from Automated Order Routing. Furthermore, the Member shall appoint at least one substitute contact person.

The Member shall ensure that Spotlight Stock Market is at all times correctly informed as to the name of the contact person and the substitute and shall ensure that the contact person or the substitute can be contacted at any time during Trading Sessions when Automated Order Routing is used.

4.8.5 The Member shall ensure that a client through its technical connection to the Member does not have access to Non-Public Market Information.

4.8.6 The Member shall inform Spotlight Stock Market of any material changes or amendments with respect to the Automated Order Routing.

The Member's relationship to the client

4.8.7 The Member shall have written agreements covering the terms and conditions for Automated Order Routing with each client which desires to utilise Automated Order Routing.

The Member's Technical Equipment

4.8.8 Spotlight Stock Market may decide that an Order routed by way of Automated Order Routing which deviates from the Latest Paid Price during a certain time interval more than specified by Spotlight Stock Market will be rejected automatically by the Trading System.

4.8.9 The Member's Technical Equipment for Automated Order Routing must fulfil at least the following requirements:

- An Order must contain information regarding the date and time at which the client placed the Order;

Spotlight Stock Market Member Rules

- The Automated Order Routing system at the Member must automatically reject the placement in the Order Book of client's Orders that would, if executed, result in one (1) or more of the client's payment and/or delivery risk levels being exceeded. The
- Automated Order Routing system at the Member shall simultaneously provide the Member with information regarding such Orders;
- The member must, at all times, be able to verify the aggregate outstanding delivery and payment risk resulting from a client's Orders placed via Automated Order Routing;
- The Member must have sufficient data security measures (firewalls etc) in place towards the client's technical equipment or, according to an agreement with the client, be entitled to monitor the client's technical equipment and technical connections; and
- If an Order which has been rejected according to section 4.8, and where a reject message cannot be sent immediately to the client, the Order shall automatically be routed to an Exchange Trader for manual processing.

4.8.10 Technical Equipment used for Automated Order Routing must be tested and approved by the Member before it is put into operation. Spotlight Stock Market may require further testing of such Technical Equipment. Spotlight Stock Market shall approve the connection of the Technical Equipment to the Trading System prior to implementation thereof.

Identification of Automated Order Routing

4.8.11 For the Orders submitted to the Trading System through Automated Order Routing Member shall apply one (1) or more user-IDs employed exclusively for the purpose of Automated Order Routing.

Use of Automated Order Routing

4.8.12 Automated Order Routing may only be used for Instruments which are subject to Automatic Order Matching.

4.9 Direct Market Access (DMA)

4.9.1 Direct Market Access (DMA) is an arrangement where a Member of Spotlight Stock Market possessing authorizations referred to in section 4.2.5 permits a client to use its membership identity so the client can electronically transmit orders relating to a financial instrument directly to the Trading System and includes arrangements which involve the use by a client of the infrastructure of the Member, or any connecting system provided by the Member, to transmit the orders.

Application for Direct Market Access, due diligence and policies and procedures

4.9.2 The right to use Direct Market Access may be granted upon application. The use of Direct Market Access may only be commenced following approval by Spotlight Stock Market.

4.9.3 The Member shall conduct due diligence of the client to which it intends to provide Direct Market Access to ensure that the client meet the requirements set out in the Spotlight Stock Market Member Rules, MiFID and applicable laws and regulations. The due diligence shall at least cover the following:

- the governance and ownership structure of the Direct Market Access client;
- the types of strategies to be undertaken by the Direct Market Access client;
- the operational set-up, the systems, the pre-trade and post-trade controls and the real time monitoring of the Direct Market Access client. The Exchange Member offering Direct Market Access allowing clients to use third-party trading software for accessing trading venues shall ensure that the software includes pre-trade controls that are equivalent to the pre-trade controls set out in applicable legislation implementing MiFID;
- the responsibilities within the Direct Market Access client for dealing with actions and errors;
- the historical trading pattern and behaviour of the Direct Market Access client;
- the level of expected trading and order volume of the Direct Market Access client;
- the ability of the Direct Market Access client to meet its financial obligations to the Exchange Member; and
- the disciplinary history of the Direct Market Access client, where available.

- 4.9.4** Member shall establish policies and procedures to ensure that trading of its Direct Market Access clients comply with the Spotlight Stock Market's rules so as to ensure that the Member meets the requirements in accordance with Article 17(5) of MiFID. Such policies and procedures shall cover at least the following:
- Due diligence measures in place between the Member and the client and the Trading system, including that the client is fit and proper for the use of Direct Market Access;
 - Controls and limits in place between the Member and the client, including routines for identification of the client and the verification procedure to which an Order from a client is subject before the Order is routed to the Trading System;
 - Internal monitoring of Direct Market Access;
 - Procedure for the client's use of Direct Market Access;
 - Extent to which the Member intends to disseminate information from the Trading System to the clients in connection with Direct Market Access, and the agreement for the dissemination of information which has been entered into; and
 - Sufficient records in relation to the matters referred above.

The Member's liability for Direct Market Access

- 4.9.5** The Member has the same liability for Orders which are routed via Direct Market Access as for Orders which the Member places in any other manner.
- 4.9.6** The Member shall establish appropriate technical and administrative arrangements in order to ensure that Orders routed via Direct Market Access do not violate the Spotlight Stock Market's Member Rules.
- 4.9.7** The Member shall appoint a Head of Trading or a person with similar responsibility as contact person responsible for any matters which may arise in connection with Direct Market Access, in order to ensure that Direct Market Access is conducted in accordance with this section 4.9, applicable laws and regulations, and for supervision of the Orders which result from Direct Market Access. Furthermore, the Member shall appoint at least one substitute contact person. The Member shall ensure that Spotlight Stock Market is at all times correctly informed as to the names of the contact persons and shall ensure that the contact person or the substitute can be contacted at any time during Trading Sessions when Direct Market Access is used.
- 4.9.8** The Member shall ensure that a client through its technical connection to the Member does not have access to Non-Public Market Information.

- 4.9.9** The Member shall inform Spotlight Stock Market of any material changes or amendments with respect to the Direct Market Access.

The Member's relationship to the client

- 4.9.10** The Member shall enter into a written agreement regarding the terms and conditions for Direct Market Access with each client which desires to utilise Direct Market Access.

Sub-delegation of Direct Market Access

- 4.9.11** If the Direct Market Access agreement referred to in section 4.9.10 permits sub-delegation of electronic access, whereby the client would enable a third party to indirectly utilize the Direct Market Access by means of a technically comparable electronic access arrangement provided by the Direct Market Access client to the third party, the Member shall:
- require the Direct Market Access client to inform the Member if the client starts granting sub-delegated access to third parties;
 - require the Direct Market Access client to uphold controls with regards to the subdelegated access similar to the controls that the Exchange Member is required to uphold for Direct Market Access under the applicable rules and regulations; and
 - be able to identify the different order flows from the beneficiaries of such subdelegation without being required to know the identity of the beneficiaries of such arrangement.
- 4.9.12** If the contractual arrangement between the Member and the Direct Market Access client permits sub-delegation of electronic access, the Member shall ensure that the prospective Direct Market Access client, before granting that client access, has a due diligence framework in place equivalent to the one described in section 4.9.3.

The Member's Technical Equipment

- 4.9.13** Spotlight Stock Market may decide that an Order routed by way of Direct Market Access which deviates from the Latest Paid Price during a certain time interval more than specified by Spotlight Stock Market in the Spotlight Stock Market Rules will be rejected automatically by the Trading System.

4.9.14 The Member's Technical Equipment for Direct Market Access must fulfil at least the following requirements:

- An Order must contain information regarding the date and time at which the client placed the Order;
- The Direct Market Access system at the Member must automatically reject the placement in the Order Book of client's Orders that would, if executed, result in one (1) or more of the client's payment and/or delivery risk levels being exceeded. The Direct Market Access system at the Member shall simultaneously provide the Member with information regarding such Orders;
- The member must, at all times, be able to verify the aggregate outstanding delivery and payment risk resulting from a client's Orders placed via Direct Market Access;
- The Member must have sufficient data security measures (firewalls etc.) in place towards the client's technical equipment or, according to an agreement with the client, be entitled to monitor the client's technical equipment and technical connections; and
- If an Order which has been rejected according to section 4.9.13, and where a reject message cannot be sent immediately to the client, the Order shall automatically be routed to an Exchange Trader for manual processing.

4.9.15 Technical Equipment used for Direct Market Access must be tested and approved by the Member before it is put into operation. Spotlight Stock Market may require further testing of such Technical Equipment. Spotlight Stock Market shall approve the connection of the Technical Equipment to the Trading System prior to implementation thereof.

Identification of Direct Market Access

4.9.16 Orders submitted to the Trading System through Direct Market Access shall use one (1) or more user-IDs employed exclusively for the purpose of Direct Market Access.

Use of Direct Market Access

4.9.17 Direct Market Access may only be used for Instruments which are subject to Automatic Order Matching.

4.9.18 In the event the Member or the client fails to comply with the above stated terms and conditions, Spotlight Stock Market shall be entitled, with immediate effect to terminate the Direct Market Access, in general for a Member or in respect of an individual client.

4.10 Sponsored Access

4.10.1 Sponsored Access is an arrangement where a Member of Spotlight Stock Market possessing authorizations referred to in section 4.2.5 permits a client to use its membership identity so the client can electronically transmit orders relating to a financial instrument directly and includes arrangements where the orders are transmitted directly from the client's trading infrastructure or through a third-party vendor to the Trading System.

Application for Sponsored Access, due diligence and policies and procedures

4.10.2 The right to use Sponsored Access may be granted upon application. The use may only be commenced following approval in writing by Spotlight Stock Market.

4.10.3 The Member shall conduct due diligence of the client to which it intends to provide Sponsored Access in accordance with section 4.9.3.

4.10.4 Member shall establish policies and procedures to ensure that trading of its Sponsored Access clients complies with the Spotlight Stock Market's rules so as to ensure that the Member meets the requirements in accordance with Article 17(5) of MiFID. Such policies and procedures shall cover at least the following:

- Due diligence measures in place between the Member and the client and the Trading System, including that the client is fit and proper for the use of Sponsored Access;
- Controls and limits to which an Order from a client is subject before the Order is placed to the Trading System in order to ensure that the adequate pre-trade order validations are in place;
- Member's procedures for monitoring of Sponsored Access;
- The procedure for the client's use of Sponsored Access; and
- Sufficient records in relation to the matters referred above.

The Member's liability for Sponsored Access

4.10.5 The Member has the same liability for Orders which are placed through Sponsored Access as for Orders which the Member places in any other manner. Therefore, the Member shall be also liable for any and all actions taken via the electronic connections to the Trading System in Member's membership identity, regardless of whether such actions are taken by an authorised representative of the Member, Member's client or any other party.

- 4.10.6** The Member shall establish appropriate technical and administrative arrangements in order to ensure that Orders placed through Sponsored Access do not violate the Spotlight Stock Market Member Rules.
- 4.10.7** The Member is responsible to ensure that adequate pre-trade order validations are in place and that they, as well as any other policies and procedures for the systems and use of Sponsored Access, are continuously compliant with the policies and procedures that have been established in accordance with 4.10.4. If a Member loses the ability to monitor (with regard to Sponsored Access) the trading activity of its client for any reason, the Member must inform Spotlight Stock Market as soon as reasonably practicable. Upon receiving such notification from the Member, Spotlight Stock Market will immediately terminate access by disconnecting the appropriate client trading session.
- 4.10.8** The Member shall appoint a Head of Trading or a person with similar responsibility as contact person responsible for any matters which may arise in connection with Sponsored Access, in order to ensure that Sponsored Access is conducted in accordance with this section 4.10, and for supervision of the Orders and Trades which result from Sponsored Access. Furthermore, the Member shall appoint at least one substitute contact person and assure that corresponding contact persons for the Member's client are appointed as well.
- 4.10.9** The Member shall ensure that Spotlight Stock Market is at all times correctly informed as to the names of the contact persons and that the contact persons or the substitutes can be contacted at any time during Trading Sessions when Sponsored Access is used. Furthermore the Member shall assure Spotlight Stock Market has the name, head office address and country of incorporation of the Member's client.
- 4.10.10** The Member shall inform Spotlight Stock Market of any material changes or amendments with respect to the Sponsored Access.

The Member's relationship to the client

- 4.10.11** The Member shall enter into a written agreement regarding the terms and conditions for Sponsored Access with each client which desires to utilise Sponsored Access.

Sub-delegation of Sponsored Access

4.10.12 If the Sponsored Access agreement referred to in section 4.10.11 permits sub-delegation of electronic access, whereby the client would enable a third party to indirectly utilize the Sponsored Access by means of a technically comparable electronic access arrangement provided by the Sponsored Access client to the third party, the Member shall:

- require the Sponsored Access client to inform the Member if the client starts granting sub-delegated access to third parties; and
- require the Sponsored Access client to uphold controls with regards to the subdelegated access similar to the controls that the Exchange Member is required to uphold for Sponsored Access under the applicable rules and regulations; and
- be able to identify the different order flows from the beneficiaries of such subdelegation without being required to know the identity of the beneficiaries of such arrangement.

4.10.13 If the contractual arrangement between the Member and the Sponsored Access client permits sub-delegation of electronic access, the Member shall ensure that the prospective Sponsored Access client, before granting that client access, has a due diligence framework in place equivalent to the one described in section 4.9.3.

The Member's or client's Technical Equipment

4.10.14 Spotlight Stock Market may decide that an Order placed via Sponsored Access which deviates from the Latest Paid Price during a certain time interval more than specified by Spotlight Stock Market will be rejected automatically by the Trading System.

4.10.15 The Member's or clients Technical Equipment for Sponsored Access, must fulfill at least the following requirements:

- All Orders placed through Sponsored Access shall be subject to the pre-trade order validations in accordance with section 4.10.2 and 4.10.6;
- The systems for Sponsored Access must automatically reject the placement in the Order Book of client's Orders that would, if executed, result in one (1) or more of the client's payment and/or delivery risk levels being exceeded;
- The Member must, at all times, be able to verify the aggregate outstanding delivery and payment risk resulting from a client's Orders placed via Sponsored Access; and
- For Sponsored Access the Member must ensure that the client has sufficient data security measures in place towards its connection to the Trading System.

- 4.10.16** Technical Equipment used for Sponsored Access must be tested and approved by the Member before it is put into operation. Spotlight Stock Market may require further testing of such Technical Equipment. Spotlight Stock Market shall approve the connection of the Technical Equipment to the Trading System prior to implementation thereof.

Identification of Sponsored Access

- 4.10.17** Orders submitted to the Trading System through Sponsored Access shall use one (1) or more user-IDs employed exclusively for the specific purpose.

Use of Sponsored Access

- 4.10.18** Sponsored Access may only be used for Instruments which are subject to Automatic Order Matching.
- 4.10.19** In the event the Member or the client fails to comply with the above stated terms and conditions, Spotlight Stock Market shall be entitled, with immediate effect to terminate the Sponsored Access, in general for a Member or in respect of an individual client.

4.11 Algorithmic Trading

- 4.11.1** The Member may, subject to the prior written approval of Spotlight Stock Market, participate in trading through Algorithmic Trading.
- 4.11.2** The Member shall establish procedures for Algorithmic Trading which ensure that the risks associated with such Order placements are reasonable in relation to the limits which apply to the Member's activities and to its limits for delivery, settlement and, where relevant, clearing. Such procedures shall contain at least the following:
- 4.11.3** The Member's Technical Equipment for Algorithmic Trading shall be subject to the requirements stated in section 3.2. Members must certify that the algorithms they deploy have been tested to avoid contributing to or creating disorderly trading conditions prior to the deployment or substantial update of a trading algorithm or trading strategy and explain the means used for that testing.

- 4.11.4** The Member shall appoint a Head of Trading or a person with similar responsibility as contact person responsible for any matters which may arise in connection with Algorithmic Trading, for ensuring that Algorithmic Trading is conducted in accordance with this section 4.11, and for supervision of the Orders which result from Algorithmic Trading. Furthermore, the Member shall appoint at least one substitute contact person.

The Member shall ensure that Spotlight Stock Market is at all times correctly informed as to the names of the contact persons and that the contact person or the substitute can be contacted at any time during Trading Sessions when Algorithmic Trading is used.

4.12 Breaches of law, Spotlight Stock Market Member Rules, Regulations

Breaches of law, Spotlight Stock Market Member Rules and other regulations are regulated by Spotlight Stock Market's domestic law and/or by the individual Spotlight Stock Market itself.

Members:

- 4.12.1** Where a Member breaches the securities regulation according to Spotlight Stock Market's Member Rules, Swedish law, other statutes governing Member's operations on Spotlight Stock Market, or generally accepted practice on the securities market, sanctions shall be determined by the disciplinary committee of Spotlight Stock Market. When determining the amount of the fine, consideration shall be given to the seriousness of the breach and other circumstances.
- 4.12.2** Where the breach is of a less serious nature, the disciplinary committee may issue a reprimand to the member in lieu of a fine.
- 4.12.3** Where the breach is serious, the disciplinary committee may, in lieu of a fine, terminate the membership. If it is deemed to be necessary for a well-functioning exchange operation, the disciplinary committee may, through an interim decision, enjoin the Member from participating in trading.

Exchange Traders:

- 4.12.4** Where an Exchange Trader breaches the Spotlight Stock Market Member Rules or otherwise demonstrates unsuitability as an Exchange Trader, the disciplinary committee may revoke the Exchange Trader's authorisation. Where deemed sufficient, the disciplinary committee may, instead, order that the Exchange Trader may not participate in trading during a fixed period of time.
- 4.12.5** Spotlight Stock Market may issue an interim decision enjoining the Exchange Trader from participating in trading pending an investigation into the matter.
- 4.12.6** Where the breach of law or Spotlight Stock Market Member Rules is of a less serious nature the disciplinary committee may, instead of revoking the authorisation, issue a warning to the Exchange Trader.

Round Lot Orders: For all instruments on the Equities Market one instrument unit forms a Round Lot.
- 5.4.2** An Order is a binding offer from a Member, on its own account or on behalf of a third party, to buy or sell a fixed number of Instruments.
- 5.4.3** The Member may place, change or cancel Orders.
- 5.4.4** An Order must contain the following information:
- (i) The Order Book Identity;
 - (ii) Price;
 - (iii) Volume;

Spotlight Stock Market Member Rules

- (iv) Whether the Order is a Buy or Sell Order; and
- (v) Capacity (client/own account/riskless principal/issuer holding/market maker/issue price stabilization)
- (vi) Client identification
- (vii) Investment decision
- (viii) Execution decision
- (ix) Where the Order is generated by an algorithm, the algorithm deployed by the Member.
- (x) Where the Order is submitted as part of Market Making Agreement or any liquidity provision activity.

Where the information above is submitted in the form of short codes, the Member shall submit complete information mapping for such short codes to full length identifiers at the latest in accordance with the times established by Spotlight Stock Market from time to time.

Order Conditions may be stated in accordance with the requirements in the Market Model.. The following Order Conditions may be used for Trading in the Equities Spotlight Stock Market:

"Limit Order"

"Market Order"

"Reserve Order"

"Pegged Order"

"Minimum Quantity Order"

"Time in force" - The following validity types apply:

- (i) Order valid only at placement (Immediate or cancel; IOC);
- (ii) Order valid until market closed (Good till market close/ Day order);
- (iii) Order valid until a specified time(Good till time; GTT);
- (iv) Order valid during call only (Call only);
- (v) Order valid until cancelled ("Good till cancelled; GTC").

"On-open Order"

"On-close Order"

"Mid-price Order"

"Top of Book Order"

5.4.5 Modification of an Order means that the parameters for a previously placed Order are changed, for example, change in the price and/or volume. A change in an Order may affect its priority, see Market Model document.

5.4.6 Cancellation of an Order means that an Order is deleted from the Order Book.

5.4.7 Spotlight Stock Market may decide that the price, value or volume of an Order may not deviate more than a certain amount from a reference price, value or volume of the Spotlight Stock Market. The amount may differ with respect to different Instruments. If an order would fail to meet such criteria, it will be rejected unless Spotlight Stock Market upon request authorizes the order. Spotlight Stock Market may also temporarily halt automatic matching of orders to prevent potentially disorderly trading. Descriptions of the respective detailed procedures in use for order validation and prevention of potentially disorderly trading can be found in the Market Model document.

5.4.8 Member is responsible to provide accurate information in their orders and to correct any incorrect information in a timely manner.

5.5 Automatically Matched Trades

5.5.1 The different trading methods used during Trading Sessions and effected in Automatic Order Matching are described in Market Model. Trading starts with an open call auction at the beginning of the Trading Hours. Trading ends with an open call auction at the end of the Trading Hours. Spotlight Stock Market may decide that a call auction is not applied to specific Market Segments and/or Instruments.

During Trading Hours, each new incoming Order is immediately checked for execution against Orders on the opposite side of the Order Book. Orders can be executed in full or partially in one or more phases. Orders will be automatically matched in accordance with following priority

- Price;
- Internal Crossing;
- Displayed orders;
- Time at which the Order is placed in the Order Book.

Member may opt out of the Internal crossing according to the provisions in the Market Model. The priority of an Order is not modified where the Member reduces the Order volume unless otherwise stated in the Market Model. Other changes of the Order result in a cancellation of the existing Order and the placement of a new Order.

5.5.2 For certain Instruments that are subject to Automatic Order Matching Spotlight Stock Market offers the possibility to enter Top of Book Orders. The types of instruments that may use Top of Book Orders are described in the Market Model.

The Top of Book Order is a Limit order that will post in the order book unless it is rejected by the trading system. Detailed provisions regarding Top of Book Orders can be found in the Market Model.

5.6 Manual Trades - reporting and publication rules

General

5.6.1 Manual Trades shall be reported in accordance with this section 5.6.1. Reporting takes place via the Member's electronic connection to the Trading System. Further details are in the Market Model document on Spotlight Stock Market's website.

5.6.2 Manual Trade can only be reported in Instrument, after the time at which Instrument has been admitted to trading at Spotlight Stock Market.

5.6.3 In order for transaction to be reported as a Manual Trade, the Member must have participated in it. This means that the Member has to, on its own account or on behalf of a third party, take an active part in reaching the agreement containing the terms and conditions governing the Trade.

5.6.4 A Trade may also be reported as a Manual Trade in the event the Trade involves a price risk for the Member prior to the execution of a corresponding Trade with a client. Member runs a price risk if the Member trades on its own account and does not have a client behind the Trade, or if the price at which the Trade should be delivered is unknown at the time of the Trade.

5.6.5 The Members involved in a Manual Trade shall report the Trade in question through the submission of a trade report and in accordance with the Market Model document. Where only one of the parties is a Member, the Member shall report the Trade as an Internal Trade. The following information must be reported:

- Order Book Identity;
- Buy or sell code;
- Trade price;

Spotlight Stock Market Member Rules

- Volume;
- Identity of the counterpart Member;
- Date and Time of the Trade;
- Trade Type;
- Capacity (client/own account/ riskless principal/issuer holding/market maker/issue price stabilization) as specified in Market Model for INET Nordic; and
- Settlement date.

5.6.6 When there is concurrence between the Members' trade reports, the Manual Trade is registered in the Trading System (registration time). In the event of a lack of concurrence between two (2) Members' reported information, the Members must immediately investigate the cause of the error and replace the erroneous report with a new report containing all previously reported information with errors corrected. The Member which submits a new trade report shall ensure that the previous erroneous trade report is cancelled. Any unmatched trade reports regarding Manual Trades are deleted at the end of the relevant trading phase and the Trades in question will be regarded as not reported.

5.6.7 Internal Trades are registered in the Trading System when the trade report is received.

5.6.8 One of the following Trade Types shall be applied for Manual Trades at each Spotlight Stock Market, subject to any limitations specified. The Trade Types and use thereof are further explained in the Market Model document.

Trade Class	Trade Type
Standard	Standard Trade
	Non-Standard Settlement
Non-Standard	Exercise Related Transaction
	Portfolio Trade
	Volume Weighted Average Price Trade
	Linked Component Transaction
	Beneficial Ownership Transfer Transaction
	Give-up or Give-in Transaction

Time for reporting

- 5.6.9** Manual Trades which are entered into during the Trading Hours must be reported as close to real-time as is technically possible and in any case within one (1) minute for Equity instruments from the Time of the Trade.
- 5.6.10** Manual Trades which are entered into within one (1) minute in Equity instruments prior to the closure of the Trading Hours and which, taking into consideration the circumstances, cannot be reported during the Trading Hours, must be reported no later than in the Pre-Trading Phase on the following Exchange Day.
- 5.6.11** Manual Trades which are entered into after the closure of the Trading Hours must be reported no later than in the Pre-Trading Phase on the following Exchange Day.
- 5.6.12** Manual Trades which are entered into during the Pre-Trading Session must be reported prior to the opening of the Trading Hours. Manual Trades which are entered into during the period commencing one (1) minute in Equity instruments prior to the opening of the Trading Hours until the opening of Trading Hours must be reported as close to real-time as is technically possible and in any case within one (1) minute in Equity instruments after the opening of Trading Hours.

- 5.6.13** Where a Manual Trade cannot be reported within the aforementioned time limits due to technical disruptions in the Member's Technical Equipment, the Trade shall be reported as soon as the technical impediment has ceased. The Member shall immediately notify Spotlight Stock Market thereof by e-mail as instructed in the Market Model.

5.7 Cancellation of Trades

- 5.7.1** Members have a duty to inform Spotlight Stock Market immediately of trades that should not have been automatically matched or reported. Spotlight Stock Market may cancel a Trade upon request by the Members involved in the relevant Trade. The Members must submit a cancellation request by fax or e-mail on a special form, or by telephone if the relevant Spotlight Stock Market records such request. A request has to be submitted within ten (10) minutes after the Trade has been registered in the Trading System.

- 5.7.2** A request for cancellation which is submitted later than ten (10) minutes after the Trade has been registered in the Trading System will not result in a cancellation of the Trade by Spotlight Stock Market unless, in the opinion of Spotlight Stock Market, special cause exists.

- 5.7.3** Spotlight Stock Market may, where so required to ensure the integrity of the Market or in other extraordinary situations, cancel a Trade that is the result of:

- (i) an indisputable error or unfortunate mistake which is caused by a technical or manual error at the Exchange, Member or Member's clients; or
- (ii) in the opinion of Spotlight Stock Market, an indisputable substantial breach of a material provision of law, regulations or the Spotlight Stock Market Member Rules.

5.8 Settlement rules

- 5.8.1** A 2-day settlement schedule (T+2) for the delivery shall apply to Trades. However, the parties to a Manual Trade may agree upon a deviating settlement schedule.

- 5.8.2** Spotlight Stock Market may decide upon a deviating settlement schedule or a modification of the settlement schedule where special cause exists and in consultation with the party maintaining the register in respect of the Instrument in question. Spotlight Stock Market will notify any deviating settlement schedules.
